VS Equine is scaling back our Guided Ride Program to make more time for training, and we now have way more tack in the barn than we need! Saddles, pads, bridles, bits, halters, backcountry pack saddles for mules and horses.... Just about anything tack related you can imagine.

Bring your own tack (or other western/horse items) to sell—set up a booth and clean out your barn of the extras too! Bring a lunch and spend time with your horse in our arena and on our on-site obstacle course.

If you're coming only for the tack sale no need to register.

If you're coming to set up your own booth/and/or to bring your horse—please complete the registration form at vsequine.com

\$10.00 for booth space \$15.00 per horse for riding Fun is Free!
Limited campsites with pens available must be reserved in advance.
